If you really want to make a friend, go to someone's house and eat with him... the people who give you their food give you their heart.

Sakunthala's was founded in 1997, as a small family run street stall in Little India. Inspired by old family recipes, passed down from generations, Sakunthala's makes good food simple, easy and with love. Feel good about satisfying your family and yourself, any time of the day with the recipes you love.

We have all experienced the pure joy of a great meal. Smell the aroma of Basmati rice, See the vibrant colors of spices in our Pepper Mutton, Hear the bite and crunch of a Garlic Naan, Taste the satin-smooth creamy Buttery Chicken.

Sakunthala's now operates 6 restaurants, offering high quality North & South Indian cuisine and was the First Indian restaurant to attain the Halal certification in 1999 and the First to develop an Indian-Chinese fusion cuisine in year 2000. By adopting technology, Sakunthala's opened a manufacturing plant and centralized kitchen in 2011.

Our mission is to give customers good food, while maintaining affordability. Sakunthala's has a team of well-trained, highly-skilled and dedicated chefs, who have been around since its conception in 1997. Our chefs carefully handpick each ingredient from the freshest produce and implement the highest standard of culinary expertise.

We aspire to be the best local and global franchisor of South & North Indian concept, and we are always looking for new ways to expand the F&B market. We are constantly growing and re-inventing ourselves. Sakunthala's is the first Indian Restaurant to serve Hot & Fresh foods from a Vending Machine and we have won many awards for excellent culinary dishes, quality service, authenticity and hygiene..
